Spotlight: What is the Winter Carnival Celebration?

On Thursday, Feb. 12, students at Woodlands Schools celebrated Carnival as part of their French cultural experience. Carnival is celebrated every year in February in Québec City as a way to bring the community together during the cold winter months. Popular activities include winter sports, snow sculptures and activities based on the traditional Québec lifestyle, such as canoe races and dogsled races.

Here at State Street, students had a chance to do relay races, make a craft, make a snack and receive a winter tattoo. Bonhomme is a giant snowman that has become the mascot of Carnival so it's no coincidence if students talked a lot about snowmen that day. The day was designed to bring the Woodlands community together as in Québec, to learn about Canadian French culture, and to have fun at the same time.
